He's been a standout since birth. He has a frame, length, great feet, and an outstanding set of EPDs. He will add the stretch and pounds to his offspring. You will like his calves come sale day. |

This is a unique cross offering a sire with extreme calving ease, backed by a dam with power, which might lead to the real deal. He won't be hard to find in the bull pen with his overall appearance, shape, and disposition. |
| 2143 | 4324396 | KEGS MR EPIC | PB SM | 3/3/23 | 11 | 0.5 | 86.2 | 127.2 | 0.26 | 7.7 | 21.9 | 34.4 | 0.09 | 0.96 | 139.9 | 83.9 | OMF EPIC E27 | SYS MS CASINO J175 | Look at this tank. He is a moderate framed bull and built like a tank. He is extremely wide from his front shoulders to his tale. We purchased his dam at the ND State Simmental Sale, and she gave us this stud. Balanced epds with great disposition. |
| 2093 | 4324380 | KEGS MR TJ | 5/8 SM 3/8 AN | 3/14/23 | 11 | 1.4 | 81.8 | 123.4 | 0.26 | 4 | 21.6 | 31.3 | 0.14 | 0.79 | 112.1 | 76.9 | TJ MAIN EVENT 503B | LPS MS. REVIVE 621H | This SimAngus might be overall as balanced and smooth as any bull in the set. He is thick and long with a great look. His sire, TJ Main Event, has made some great ones, and this guy is no exception. He will be a great sire on just about any operation. |
| 1972 | 4324371 | KEGS MR FAVORED UP | PB SM | 3/20/23 | 6.5 | 3.8 | 103.1 | 154.3 | 0.32 | 3.1 | 21.9 | 39.3 | 0.05 | 1.02 | 133.4 | 88.5 | LCDR FAVOR 149F | BCLR MISS TRAILBLAZER G980 | Baldy Alert!!!... and a good one. His dam has produced standouts every year, and his sire LCDR Favor adds in a lot of maternal and carcass traits. He is extremely well built all the way through, moves free, and will be outstanding choice if you're looking for a good baldy. Look at those WW and YW numbers. He will add pounds to his calves. |

His added length and power will sure be a great addition to any herd. His dam is outstanding and has passed on greatness to this guy. Another great set of EPDs with high level growth. |
| 1956 | 4324374 | KEGS MR LIFETIME | PB SM | 3/25/23 | 13.9 | 0.3 | 83.1 | 127.1 | 0.28 | 7.2 | 28.4 | 29.5 | 0.16 | 0.86 | 144.3 | 85.8 | MR SR HIGHLIFE G1609 | KS MISS EVOLUTION G212 | The other Baldy in the sale. Look at how well he has done being a late march calf. He is more calving ease than the other baldy, yet packed with great growth traits. If you get him, I would keep every female because he is going to make some nice ones. We purchased his dam from Kenner's and every calf of hers has been a good one. His sire, Mr. Sr Highlife, adds maternal and carcass traits to add to his ability to produce. |

He too was a late march calf out of a standout dam from Kunkel's. This is really a cool mating that brings everything to the table. Growth, maternal, & carcass traits are exceptional on this guy. |

His sire is a sure-fire heifer bull, and dam is built with more power. If you're looking for a bull to put on cows and have some calving ease, or put on bigger heifers that will give you a nice calf come sale time, this guy might be for you. |

Don't miss on this guy. |

He is not as deep as the other Favor son in the offering but is a nice bull with potential to make nice calves. He continues to get better every day. |

He would be a great baldy to put on your black cows, (not baldys), and make some awesome looking females. |
